Vantage®

Face forward with fast innovation

Delivering on fast innovation with responsible chemistry, Vantage offers a variety of high-performance products for color cosmetics from active ingredients to functional powders to sensorial additives.

Using these ingredients, we have created a variety of color cosmetic formulations including skincare-makeup hybrid foundations, multifunctional concealers and blushes, as well as hydrating and plumping lip products to address consumer concerns while complementing the current and future trends in the color cosmetic market:

- Tinted Zinc Shield
- Hydrating Tinted Oil
- Fresh Canvas Multi-Use Concealer
- Color Sculpt Trio
- All-Over Glow Blusher
- Hydrating Satin Lipstick
- Plush Fruity Gloss
- Dream Velvet Lip
